Portions of the Land Development Code are being revised pertaining to Wireless Communication Antenna regulations, which are applicable within the Coastal Overlay Zone and will constitute an amendment to the City of San Diego's Local Coastal Program (LCP). The proposed LCP amendment must be submitted to the California Coastal Commission for review and adoption. The LCP amendment will not become effective within the Coastal Overlay Zone until after adoption by the California Coastal Commission. This Notice of Availability opens a six-week public review period prior to any final action being taken by the City Council on the LCP amendment request.

Information on the Wireless Communication Antenna Regulations in the Land Development Code is available at the Development Services Department, 1222 First Avenue, Fifth Floor, San Diego, CA 92101. For further information, please contact Karen Lynch-Ashcraft at (619) 446-5351.
